- Iconic symbol of Malaysia
 - Skybridge at 170m height + observation deck views
 - Best time: Evening (for night skyline photos)
-

2. 🏠 Batu Caves

👉 🌐 <https://www.malaysia.travel/en/places/states-of-malaysia/selangor/batu-caves>

- Limestone caves + Hindu temple
 - Famous colorful 272 steps + Murugan statue
 - Very popular for cultural & Instagram shots
-

3. 🏢 Langkawi Sky Bridge

👉 🌐 <https://panoramalangkawi.com>

- Curved bridge at ~660m above sea level
 - Access via cable car (top attraction in Langkawi)
 - Stunning panoramic views of islands
-

4. 🚡 Langkawi Cable Car

👉 🌐 <https://panoramalangkawi.com/skycab>

- One of the steepest cable cars in the world
- Covers 2.2 km with breathtaking views

- Connects to Sky Bridge

5. 🏰 Kuala Lumpur Tower

👉 <https://www.menarakl.com.my>

- Observation deck + Sky Deck experience
- Best panoramic city view of KL skyline
- Less crowded alternative to Petronas
